PATIENT NOTIFICATION FOR PAYER PAYMENT POLICIES FOR CERTAIN IN-OFFICE PROCEDURES

Patient Name: _____

Please be aware that certain procedures performed in our office are not included in the standard office visit. These procedures will be billed separately and in addition to the office visit charges. We have become aware that some insurance carriers are classifying these procedures as "surgery" and applying the charges to a higher deductible amount. The result may be insurance payment for an office visit but not a procedure. In such cases, payment for the procedure will be due from the patient. Be assured that we are following accepted billing and coding guidelines and that all procedures are performed in the best interest of patient care. Please speak with our staff if you have any questions.

Examples of in-office procedures include:

Flexible laryngoscopy: This procedure involves passing a long, thin, flexible fiber-optic scope through the nasal cavity and into the throat. The fiber-optic scope enables the physician to visualize areas of the throat not readily seen using the laryngeal mirrors.

Nasal endoscopy: This procedure uses the flexible or rigid scope attached to a light source to view areas of the nasal cavities that the physician cannot see using the standard nasal speculum and head mirror.

Nasal endoscopy with debridement or biopsy: This is the same procedure as above, but it also includes the removal of crusting or tissue.

Cerumen removal: This procedure is the removal or extraction of hardened or accumulated cerumen (earwax) from the external auditory canal by mechanical means, such as debridement.

Audio testing: Some insurance carriers will only cover one test per year.

FINANCIAL POLICY

Thank you for choosing us as your health care provider. Our priority is to provide you with specialized treatments that help restore your full physical health. Prior to seeing the doctor, all patients must complete this financial policy form. Please review and initial or sign where indicated.

It is the patients' or policy holder's responsibility to know the terms of their health insurance plan and to be aware of deductibles, co-payments and/or co-insurance. You have an obligation to determine whether your doctor is in-network or if your visit with our practice requires a referral from your primary care physician. Recognize, as you make decisions about your care, that if your doctor is out-of-network, you may incur higher out-of-pocket costs. All insured patients are required to sign the assignment of benefits for payment from the insurance company.

Please initial _____.

Beginning 2/1/2023, a credit card will be mandatory for appointment scheduling. You may elect to use the card to pay for services (co-payment, deductibles and fees) or present another form of payment at our office. We accept MasterCard, Visa, Discover or American Express, in addition to cash or check. A 3.5% convenience fee will be added to each credit card transaction.

Please initial _____.

All co-pays and deductibles are due at the time of service. Failure to do so will result in a **\$25** charge added to your bill. Self-pay patients must remit full payment on-site unless a payment plan is established.

Please initial _____.

Standard penalty fees will be charged to patients who do not cancel an appointment or procedure with sufficient notice. This financial policy authorizes Advanced Ear, Nose & Throat-Head and Neck Surgery, LLC to charge the card on file **\$50** for each missed appointment, whether a complete no-show where the patient fails to call ahead or if less than 24 hours' notice is given. Canceled or rescheduled surgical procedures without at least five (5) days' notice are subject to a \$300 charge. In case of an emergency, please contact us as soon as possible to avoid the late cancellation fee.

Please initial _____.

Our contract with your insurance company requires us to collect all co-pay deductibles prior to services being rendered. If they haven't paid your balance in full within 30 days, contact the carrier directly to facilitate their processing of your outstanding claim(s). If a service is deemed non-covered by your plan, you will be responsible for the complete charge. Payment is due upon receipt of an invoice from our office.

All returned checks will be subject to a \$35 NSF fee.

All accounts will be considered delinquent if unpaid after 90 days and turned over to an attorney and/or collection agency without notice. You will remain responsible for paying the full outstanding balance plus any subsequent fees charged to our practice by the collection agency.
